

# AstroQuest: Beta Testing Questionnaire

*Because this is the beta version of this game, there may be a few kinks, so we would be interested to know of any problems you had while playing through it.*

*As you play through the game, please help us by writing down any problems you may come across. We are concerned with making this program as user-friendly as possible, so please do your best in giving feedback to the following:*

Were the Instructions clear? Did you know what to do?

Was the game easy to navigate? Did everything react as you thought it should? If not, describe the problem:

Was there any time when you were confused about how to move on in the game?

Was the game enjoyable to play? Did it keep your attention?

Is there anything you would change about the game?

What did you like most?

Please list any other problems you may not have mentioned previously:
